NCSA does play on Sundays, during Spring Break, and possibly Mother's Day. Asking off for these dates are not considered. Games will NOT be played on Easter Weekend.

NCSA does not take into consideration any other sports that your players may participate in.

If there are any dates you cannot play on, please list them below. The reason must be listed below and must fall within our schedule policy. There is no guarantee that NCSA can honor these conflicts.

AGREEMENTS

You must agree to the following statements. Please read each one carefully as they are here for very good reason.

- I have read NTX Bylaws, my Association Bylaws, and NCSA Bylaws and understand that I must abide by these.
- I understand that coaching is a position of trust. Therefore, I will be a positive role model for my players and will maintain my personal integrity and dignity at all times.
- I will always strive to conduct myself in the highest ethical and moral manner possible, including refraining from indulging in arguments or name-calling with referees, other coaches and/or spectators.
- I also acknowledge that being a coach and acting as a player, spectator, or official my conduct is more closely noticed by all concerned. I will, therefore, strive to set a very high standard of personal conduct, to serve as an example to all.
- I understand that I will respect the referee's decision regardless of whether or not I agree with it. If I have any questions about the laws of the game, I will contact the local Referee Director or Referee Assignor and not the referee.
- I acknowledge, as the coach, am responsible for the behavior of the coaching staff and the spectators for my team. I am aware that misbehavior can result with my ejection from the game and I will not be able to coach in the next scheduled game. I also acknowledge that the referee will document the behavior of me or my spectators on the game sheet which may result in an A&D hearing for myself.
- I understand that I will have a parent meeting and explain to the parents that their conduct during the games must remain positive at all times or coaches risk ejection from the fields.
- Coaches are encouraged to wait 24 hours after a game to address concerns or a referee decision. This protects all parties from embarrassment, but it also helps cool emotions and thoughts that may have transpired from the incident at a game. Obviously, the rule doesn't apply to something serious (i.e. criminal) but rather to disagreements/questions/concerns a coach may have with an opposing coach, parents and a referee and his/her decisions.
